Docket No. 98N-1265 ^{99 MAY 10 10 55}
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount", which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: My compounded prescription for testosterone
has relieved the symptoms after a complete hysterectomy.
This medication has relieved symptoms that I could
not alleviate with other medications.
